AGILE PM™ FOUNDATION COURSE OUTLINE

Introduction

This Foundation course is an APM Group Ltd (APMG) Accredited Course that covers the elements contained in the APMG Syllabus for the Agile PM™ Foundation Course.

The Foundation course is aimed at individuals who need to be informed members of a project management team within an environment using Agile PM™ methodology. It is targeted towards explanation of various terminology, the purpose and benefits of the documents produced and how these can be applied to everyday project work.

The various elements of Agile PM™ will be re-enforced using a sample case study.

Learning outcomes of the course

On completion of the course the participants should be able to:

- Discuss the Basics of Agile PM™ methodology
- Apply Agile PM™ methodology to projects within their organisations

- 30 marks required (out of 60 available) to pass – 50%
- Four styles of questions
  o Standard
  o Negative
  o Missing words
  o List
- Closed book

Prerequisites

To gain the most from the Foundation Course we recommend that delegates should have had prior experience or awareness of projects and the project management environment, though not necessarily as a project manager. Prior to Day One of the course Delegates should have completed their pre-course study pack. The course content and timing is based on the assumption that they will have done so.

Could you please also ensure you understand fully the **APMG Examination Candidate Terms & Conditions** before making your booking. These are available at the following link **http://www.apmg-international.com/home/TermsandConditions.asp**.
